

Brand Ambassador Program

Our Brand Ambassador Program helps people like you build your professional IT consulting business with a proven framework for success.

Step into the Future of Business

Get residual SPIFFS and equity value that equal the most profitable business model for YOU.

Innovate

Present relevant and impactful value in a groundbreaking approach that combines advertising, marketing, and sales in a single package.

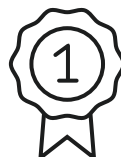

Maximize

Consistently close deals using tools designed to make every interaction with potential clients as effective as possible.

Network

Build your reach like never before and connect with MSPs who need your help to succeed.

Empower

Take control of your career path and confidently embrace entrepreneurship without financial stress.

Streamline

Secure a continuous flow of pre-vetted appointments with ideal customer profiles for a new income stream with significant potential.

Optimize

Use our sophisticated resources to achieve multiple objectives with every action, collapsing time and maximizing every effort.

Join Us in Building More than Just a Business—Build a Legacy

Let us help you build a successful IT consulting career with a seven-figure residual income.

Community

Collaborate with people in similar life stages.

Family

Enhance your relationship with your spouse and actively guide your children.

Wellness

Focus on fitness, nutrition, and mental clarity through journaling, meditation, and optional prayer.

Business Success

Learn to set clear goals, explore opportunities, and achieve financial growth.

Our Brand Ambassador Program: a Pathway to Success

Get access to an unparalleled suite of resources designed to ensure your success.

Life Coach

Receive guidance from an experienced Brand Ambassador who has advanced to become a Business Coach for accountability and mentorship.

LLC Setup

Benefit from a newly established LLC, created as a partner of Blue Equinox, with all associated costs covered.

Email Marketing

Engage in email marketing campaigns poised to initiate 20-25 new dialogues with potential business clients.

Telemarketing

Participate in telemarketing efforts that secure 5 pre-set appointments monthly for IT workshops.

PPC Campaigns

Use Pay-Per-Click campaigns targeting geographic leads to attract participants to free IT workshops.

CRM

Experience white-glove service from a dedicated Client Relationship Specialist for a seamless onboarding experience for every customer.

Account Management

Maintain customer satisfaction and uncover new opportunities, boosting residual income with every IT service sold.

360-Degree Services

Access a comprehensive TSP Product Portfolio for a full spectrum of services and tap into complementary markets for our clients.

Let's build something extraordinary together.
